Ozarka for the Cure - October is Breast Cancer Awareness Month

Ozarka College has become involved in the Susan G. Komen Race for the Cure by forming a team to participate in upcoming activities scheduled in October. October is Breast Cancer Awareness month and team members from Ozarka for the Cure will be participating in the race on October 16 in downtown Little Rock.

Currently, the team has 45 team members registered and reached 77% of their fundraising goal of \$1000. The team's co-captains, nursing instructor, Katie Wilson and Director of TRiO SSS, Deltha Shell, are hoping to surpass that the goal with a few upcoming fundraisers and other individual donations. Students, staff, faculty, administration, or anyone from the community can join the team and there is still time to get involved.

The LPN students have a bake sale planned for October 13 and 14 (Wednesday and Thursday) in the Dining Room of the Main Administration Building. The Culinary Arts Department is also giving a portion of their dessert sales at the Gourmet Night scheduled for Thursday, October 7. Ozarka staff, faculty and administration may pay \$5 to wear jeans for the two upcoming Thursdays, October 7 and 14. Along with these activities, the team sold t-shirts with proceeds from sales going toward the fundraising efforts.

The team has added a Wall of Honor pink display at each Ozarka location for the month of October. Anyone is invited to honor friends and family who have been affected by breast cancer by adding names to the pink ribbon cards as memorial or celebration of those affected by breast cancer either as a survivor in in their memory.

There is still time to join the Ozarka for the Cure team or get involved with the team's efforts. Contact Wilson or Shell at 870-368-7371.
