Successful Kids College

Ozarka College held its annual Kids College during the week of June 1st. More than 60 students enrolled this year for the four-day school. "Mind & Motion" was the theme this year, which was designed to incorporate more physical activity and movement into the curriculum.

In order to participate in Kids College, students had to have completed first through eighth grade. Students were able to select from three classes to attend each day, including, First Aid, taught by Carol Miller; Karate, by Rocky Smith, Spy kids, by Carla Vredenburg; Science Fun, by Rachel Faulkner, Conversational Spanish, with Randy Scaggs; Native American History, by Carla Sullins; and Golf with Chaney Coleman, which took place at Coopers Hawk Golf Club in Melbourne.

Karla Rush, Director for Continuing Education commented, "Ozarka holds Kid's College each summer to help promote the importance of education to children and give them accessibility to college. The kids also have the opportunity to interact with new people and make new friends."

Rush continues, "Ozarka appreciates the Kids College instructors who volunteer their time to come out and conduct these classes each year. They make certain the students explore new things as well as have a good time."
