

Ozarka College

Student Success

Student Success Center

The Student Success Center is dedicated to helping all students achieve their academic and career goals.

Our mission is to provide every student with the support and assistance they need to set goals based on their personal interests, skills, and abilities and attain them.

We have tutors on all three campuses, please check the website regularly for a current schedule.

If you do not find a time or subject you need, please contact us and we will make every reasonable effort to accommodate your schedule.

Other services offered include workshops, career counseling, résumé assistance and more. Stop by to ask a question, get directions for class or just to say hello.
